DETAILED ACTION

Reissue Applications

1. This application is a reissue of 09/309,681, which was filed on 11 May 1999 and now U.S. Patent 6,253,198.

Drawings

2. The Formal drawings that were received in the parent case on 3 May 2001 are acceptable for this reissue application.

Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance:

After a thorough search and an examination, amended claims 1 –14 are allowed. Original base claims 1 and 8 in the original printed patent contain the term "unmodified" which is in violation of 35 U.S.C. 112, first paragraph, since these claims are not supported by the specification. These base claims are amended to overcome 35 U.S.C. 112, first paragraph and therefore claims 1 and 8 are now allowed in this reissue application.

The dependent claims, being definite, further limiting, and fully enabled by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Contact Information

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Shahid Al Alam whose telephone number is (571) 272-4030. The examiner can normally be reached on Monday-Thursday 8:00 A.M. - 4:00 P.M. .
